YOUR COMPLAINT

For quite some number of months now. This company called portfolio recovery associates LLC. Has been calling repeatedly each day. Sometimes every day, at which point I block them, but, they have so many numerous numbers that it became egregious and annoying, distracting and life-altering that I finally broke down and called them Back. They say I owe for credit card. I've never had a credit card and nobody in their right mind would give me credit. I don't own anything I have nothing. I Never have and recently went from homeless to living in somebody else's garage and to the best of my knowledge. There's no way I could owe anybody Since I've never had a credit Card or loans. I certainly have never owned property or anything of real physical assets. I don't do what everybody else gets to do, I have a little bit of a disability. And the government hates me. Or something.
