FAQs

Is eBay in the United States?

(/ˈiːbeɪ/ EE-bay, often stylized as ebay) is an American multinational e-commerce company based in San Jose, California, that facilitates consumer-to-consumer and business-to-consumer sales through its website. eBay was founded by Pierre Omidyar in 1995 and became a notable success story of the dot-com bubble.

Enter your password.

Tap Sign in.

Does anyone still sell on eBay?

Despite the rise in ecommerce, the platform is still going strong, with more than \$10.2 billion in revenue in 2020 and more than 1.5 billion active listings. However, selling on eBay can be tricky, especially for beginners.

How much is eBay's fee?

On average, eBay takes between 10% and 15.55% of the final selling price in fees. This percentage can increase if you're selling internationally or using promoted listings. It's important to factor in all of these fees when pricing your items to ensure that you're making a profit after all fees are taken into account.
